

Canadian Seating & Mobility Conference 25 Years

May 18, 19 & 20, 2010
TORONTO, ONTARIO

The Canadian Seating & Mobility Conference, in its 25th year, invites you to Toronto to participate in Canada's foremost conference on seating, mobility and associated technologies. Our education sessions provide informative and thought provoking opportunities to gain current and developing information on service delivery, product development, research and education. Extensive opportunities for networking with colleagues are provided through discussions and a large exhibit display.

PRE-CONFERENCE EXHIBITOR SEMINARS

Opportunities are being made available for confirmed exhibitors to present a pre-conference exhibitor seminar. Proposals are requested for seminars that address seating and mobility issues, ambulation, accessibility, electronic aids for daily living and communication. Associated issues such as cognition, vision, feeding and transportation, which impact seating and mobility, are also encouraged.

DEADLINE FOR SUBMISSIONS:

FINAL PAPERS DUE:

December 1, 2009
December 2009
February 5, 2010

PRE-CONFERENCE EXHIBITOR SEMINARS

Seminars will be 3½ hours in length. These sessions will provide a structured, interactive learning experience. Audience participation is highly encouraged. Clinical application of products and solutions is recommended and should not include 'infomercial' type presentations, sales pitches or self-promotion. Accepted seminars will cost \$500 due upon acceptance via returned signed speaker contract and is not refundable once the contract is signed. Final decision on selected seminars will be made by the Conference planning committee based on the balancing of educational content of the Conference. The exhibitor assumes joint responsibility in marketing the seminar. The conference reserves the right to cancel the seminar based on low registration. Should this occur a portion of the seminar fee will be refunded.

Submissions for Pre-Conference Seminars should include the following:

Title: 10 word maximum
Name of Exhibitor: Name, address and telephone number of contact person
Presenter(s): Professional designation (and bio), full address, telephone, fax and email of primary contact
Abstract Summary: 100 word maximum outline for registration package
Target Audience: Therapists, vendors, distributors, etc.
Presentation Level: Beginner, intermediate, advanced
Learning objectives: Please list 2-3
Seminar outline: If accepted, exhibitor will provide handouts one month prior to the Conference for review and distribution to seminar registrants, as well as retaining a copy as a Conference publication.

Full details on submissions for "Proceedings" to be sent to accepted speakers.
