

Canadian Seating & Mobility Conference

27 Years of Excellence in Education

May 8, 9 & 10, 2012

Toronto, Ontario

The Canadian Seating & Mobility Conference, in its 27th year, and the Humber OTA & PTA Seminar Day, in its 17th year, invite you to Toronto to participate in Canada's foremost conference on seating, mobility, technology and rehabilitation related topics. Our education sessions provide informative and thought provoking opportunities to gain current and developing information on service delivery, product development, research and education. Opportunities for networking with colleagues are provided as well as an extensive exhibit hall.

PRE-CONFERENCE EXHIBITOR SEMINARS

Opportunities are available for confirmed exhibitors to present a Pre-conference Exhibitor Seminar. Proposals are requested for seminars that address seating and mobility issues, ambulation, accessibility, electronic aids for daily living and communication. Associated issues such as cognition, vision, feeding and transportation, which impact seating and mobility, are also encouraged.

DEADLINE FOR SUBMISSIONS:

December 1, 2011

AUTHORS NOTIFIED:

December 2011

Pre-Conference Exhibitor Seminars

Seminars will be 3 hours in length. These sessions will provide a structured, interactive learning experience. Audience participation is highly encouraged. Clinical application of products and solutions is recommended and should not include 'infomercial' type presentations, sales pitches or self-promotion. Accepted seminars will cost \$500 due upon acceptance via returned signed speaker contract and is not refundable once the contract is signed. Final decision on selected seminars will be made by the Conference planning committee based on the balancing of educational content of the Conference. The exhibitor assumes joint responsibility in marketing the seminar. The Conference reserves the right to cancel the seminar based on low registration. Should this occur a portion of the seminar fee will be refunded.

Submissions for Pre-Conference Seminars should include the following:

- Title:** 10 word maximum
- Author(s):** Please note professional designation, organization affiliation and area of practise
- Presenter(s):** List all presenters and include full address, telephone and email of primary contact
- Abstract Summary:** 75 word maximum (*as it will appear in the registration package*)
- Abstract:** 300 word maximum (*expansion of the Abstract Summary to assist reviewers in selecting sessions*)
- A.V. Requirements:** You must indicate your AV requirements in the submission
- Speaker Bio:** Please provide a brief bio for each presenter (*100 word maximum*)
- Learning Objectives:** You **must** provide 3 learning objectives (*see website for tips on writing effective objectives*)
- References:** List of resources used in the research and development of session content

Submissions can be made on-line at www.csmc.ca
